

3D-PRINTED MODEL BOXCAR

exclusively available via DuPont Historical Museum

✦ duponthishistoricalmuseum@gmail.com ✦ (253) 820-3656

**On30
scale**

Production is limited in quantity and available only until February 2025

\$87.60 (incl. sales tax) 3D-printed DuPont Company narrow-gauge boxcar designed by Chip Van Gilder, made specially for DuPont Historical Museum

For pre-orders, a \$30 (+ sales tax) non-refundable deposit is required

These models are hand-assembled in small batches. It may be several weeks before your boxcar is ready. We will contact you to arrange pickup, or your purchase can be mailed to you for an additional (exact) postage charge.

Proceeds benefit DuPont Historical Museum for the ongoing care of the historic "Dynamite Train"

Visit us at 207 Barksdale Ave, Dupont WA to see the narrow-gauge train on display

TO PURCHASE

Contact DuPont Historical Museum at the phone/email above to place your order or join the waiting list. Thank you!
